continue Mr Bocquet as Ch. Insp: in Mysore is obviously made with a view to facilitate the submission of the Report on Mines for 1918 which has not yet been received in the Secrett

3 As Mr Bocquet was in charge throughout the year & report he may be permitted this year to submit the report himself through Dr Smeeth Otherwise it seems unnecessary to continue existing arrangements.

4 A draft discontinuing these arrangements is subs on file 52/18 linked.

Mr
Chief Secy) 16/12

5 In view of the grounds urged in paras 2 & 3 of Dr Smeeth's letter, Mr Bocquet may continue as Chief Inspector of Mines subject to the general control of Dr Smeeth as Director.

6 As regards the special allce, it was given while Dr Smeeth was on leave & should cease from the date of his return.

7 If this is approved the draft in the linked file will be issued with suitable changes.

D.S.N. 5

I submit herewith a Final Note by the Second Member of Council on the subject of Mr. Bocquet's designation and salary in view of Dr Smeeth having returned to duty, for His Highness' gracious approval.

Sd/ V.J. I agree but
5/3. The proposal involves a recurring charge - not sanctioned
10/3/19 by existing orders - There is another proposal pending
before Council
I think this is a Council matter. If the 2nd Members do not
think the allied subjects may be brought in
early discussion - it may be considered
in Council
28 The amt ordered during Dr Smeeth's absence
automatically ceases.
I do not think necessary but the whole question may be disposed
of if we wish. - Sd
11.3

30
It is just because this point requires specific orders that this case has been sent up now. The issue of a G.O as now proposed with clear up the doubts - e.g. those entertained by Dr. Smeeth - in the matter. There does not appear to be any object in mixing this up with the re-organisation scheme now under consideration. The present case deals with a past matter & does not contain any new proposal

Routine Notes.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

I do not consider it desirable to leave matters in such a state of uncertainty. Such situations are always best avoided in my opinion. I should suggest the Ch. Secy. Enquiring of the Director personally whether he stands in need of a reply to the reference after expressing his opinion of the position. If the reply is in the negative no action need be taken & this issue D.O. as drafted may issue.

26. 3. 19.

To the Director, Offices Mines Geology

D.O. No G 22374 of 3-4-19

Requested to be informed whether he is awaiting any reply to para 2 of his letter of 2-11-18 & to that of 10-12-18 re handing over of charge by Mr. Norquet—& for instruction of his report of his mining rights or whether orders in that matter may close along with all

D.M.G. 13]

No. 1520

BANGALORE, 10th December 1918.

FROM

DR. W. F. SMEETH, M.A., D.SC., A.R.S.M. etc.,
Director, Department of Mines and Geology,
Mysore State.

To

C.S.Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Government of
H.H. the Maharaja of Mysore, Bangalore.

Sir,

With reference to para 2 of my letter No.1421, dated the 25th November 1918, enquiring about Mr. Bocquet handing over his charge to me, to which I have not yet had a reply, I have the honor to request Government to be good enough to permit Mr. Bocquet to continue as Chief Inspector of Mines in Mysore pending further consideration of the matter. He would of course correspond with Government through me as Head of the Department.

2. This is a matter of administrative convenience, as Mr. Bocquet has all the work in hand as Chief Inspector and it will avoid confusion if he continues to be responsible and issues the Report of the Chief Inspector of Mines, which will be forwarded to Government through me as Director.

3. I shall send up further proposals as soon as I have had time to go into the matter and the arrangement I suggest will avoid division of responsibility at the present juncture and give me more time for other pressing matters.

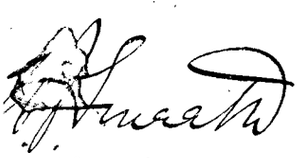
4. The question whether Mr. Bocquet may continue to draw his

his special allowance, I leave entirely to Government. It is not a question of emolument, but of convenient distribution of work.

I have the honor to be,

Sir,

Your most obedient servant,



Director,

Department of Mines and Geology.

Routine Notes.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

DIARY No. 18060

No. 2964 Department of Mines & Geology.

Dated Bangalore, 9th April 1919.

Dear Sir,

In reply to your D.O.No.G.22374, dated 3rd April 1919, I may say that the position is a little obscure, but as we have carried on for so long we may continue to do so pending the issue of the Reorganization Order. Mr. Bocquet will communicate with Government through me and if I want him to visit any mines in the District I will ask him to do so in my capacity as Head of the Department.

Yours sincerely,

C.S. Balasundaram Iyer, Esq.,B.A.,
Chief Secretary to the Govt.
of H.H.the Maharaja of Mysore.

N.B.—Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form.

Final Note by the ~~Extra~~ SECOND Member of Council.

Subject:—

Mr. Bocquet's designation and salary, in view of Dr. Smeeth's having returned to duty.

The existing distribution of work between the Director, Department of Mines and Geology and the Chief Inspector of Mines, received the approval of His Highness in an order dated 29th June 1916, but, it was ordered at the same time, that the Director of Mines and Geology should issue the report of the Mining Department.

2. During Dr. Smeeth's absence on leave, Mr. R. Bocquet, Chief Inspector of Mines, was placed in independent charge of the Mining Branch of the Department, authorized to address Government direct in all matters requiring reference to Government, (vide Government Order No.4154/Geol.7-16-3 dated 20th September 1916), and styled "Chief Inspector of Mines in Mysore" (vide Government Order No.17298-348/Geol.153-16-3 dated 28th June 1917). He also issued, as such, the report of the Mining Department, independently of the report of the Geological Department.

3. On his return to duty on 25th November 1918, Dr. Smeeth requested that Mr. R. Bocquet might be permitted to continue as Chief Inspector of Mines in Mysore, pending further consideration of the matter and to submit to Government his report of the Mining Department but through the Director, as the head of the Department of Mines & Geology.

4. The accompanying draft order directing that (1) Dr. Smeeth having returned to duty from the leave granted to him, the arrangements ordered in the Government Order of 20th September 1916 referred to above will cease with effect from the date of such return, (2) but that, in view of the grounds urged in paragraphs 2 and 3 of Dr. Smeeth's letter dated 10th December 1918, Mr. Bocquet will continue as Chief Inspector of Mines in Mysore, subject to the general control of

19

of Dr. Smeeth and submit his report to Government through Dr. Smeeth and (3) that the special allowance of Rs.100/- sanctioned to Mr. Bocquet during Dr. Smeeth's absence on leave will cease with effect from the date of the latter officer's return to duty, is submitted herewith for kind approval.

P Raghavendra Rao
